

**E-LEARNING
PLATFORM**
YOUR COURSE IS
JUST ONE CLICK AWAY

SALESPEOPLE AND TECHNICIANS, DO YOU NEED TO ACQUIRE A BASIC UNDERSTANDING OF BEARINGS?

Train when and where you wish thanks to our new **E-Learning** platform.

Intuitive and instructive, it has been designed to help you familiarise yourself with the basics of bearings and their technical terminology.

MODULES

- Basic knowledge of bearings
- Tapered roller bearings
- Radial ball bearings (series 6000)
- Needle roller bearings
- Other ball bearings (series 7000, 3000, etc.)
- Self-aligning ball bearings
- Spherical roller bearings
- Split plummer block-unit

QUIZ

Then complete a quiz to test your knowledge and receive a certificate

BEARINGS: THE BASICS

Boost the performance of sales/logistics/technical teams

OBJECTIVES

- Familiarise the learner with the technical terms of the business
- Acquire basic knowledge of the various types of bearing
- Discover bearing assembly/disassembly techniques and tools
- Learn about lubrication and automatic lubrication solutions

STRENGTHS

- Modular training course
- Content is split into learning modules lasting around 20 minutes
- The modules:
 - Bearing technology + symbolisation
 - 8 types of bearing (see below)
- A quiz accompanies each module to ensure the lesson has been learnt
- Speed of the lesson follows the pace of the learner
- Validation of progress through an initial/final test
- Knowledge may be certified at the end of the course

Estimated time

- 3 twenty-minute modules
- (8 learning modules)
- 10 minutes per quiz
- Total duration: 6 hours

Sessions (within 5 days)

- Asynchronous and remote e-learning
- Individual
- In a group

Price

- €420/person
- For detailed pricing information, please contact your NTN-SNR sales representative

Target audience

Sales (office-based or mobile)/logistics/technical teams.
Please contact us for people with disabilities.

PROGRAMME

TESTIMONIALS

Testimonial from our Swedish distributor INTERNORDIC BEARINGS

Fredrik SCHOLANDER, cproduct manager

“The training was very comprehensive. NTN-SNR has done a very good job.”

“The layout is well designed with a training module and a quiz on each chapter.”

“The duration of each chapter is short, the concentration is nice.”

Feedback from our UK distributor SPAREX

Sam GREEN, product manager

“We liked the level of detail in the online e-learning course, the interactive diagrams were particularly useful.”

“This programme gives us a perfectly viable solution for training our staff.”

Our French distributor GRANDBLAISE-LEROY testifies:

Maryse MARTIN, quality manager

“The experience was very rewarding.”

“The training consists of very complete modules.”

“The NTN-SNR sales team listens to customers and is there to support us when needed.”
